

**PERMANENT BAYONET STAFF
TO BE ANNOUNCED
IN NEXT ISSUE**

The staff that will edit the **Bayonet** for the 1946-47 Session will be announced in the next issue. There are still several positions open for competition and anyone desiring to try out for same will hand their names to Tom Fouracre. It is hoped that with the naming of these officers that the dates for the appearance of the paper will be ready for publication.

**RECALL SUBSCRIPTIONS
BEING RECEIVED**

Subscriptions are now being taken for the 1947 **Recall**. This year's annual will be the finest in the school's history. The cover design has been decided upon and will be in dark blue leather with a padded surface. Due to the continued scarcity of paper and leather it would be wise to place your order now. The first three hundred and fifty copies will be leather and all copies beyond that number will be of a composition cardboard type. Form letters will be mailed to the cadets' parents at the conclusion of the subscription campaign for the **Bayonet**.

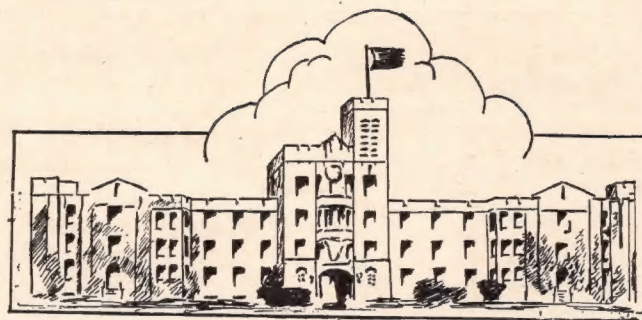

**ALL-CADET PROGRAM
FEATURE OF YMCA**

Two weeks ago the annual all-cadet program was presented at the weekly YMCA meeting. This was by far the most successful gathering of talent ever to grace the platform in the assembly room. First prize went to the Augusta Hill Billies, composed of Clements, Davis, Crosby and Twyman. Second honors were taken by Hantsch on his accordion. Third place was divided between Kuniansky and the Sixth Grade group who presented a play, "The King's Toothache". The sixth graders were Mundin, Hailey, Peralta, Balbis and Pulliam.

Others who took part on the program were our Spanish-American students who gave two selections in their own language, Alberti and his violin, and Folline who sang a folksong.

THE THANKSGIVING HOLIDAY

This year, as in previous years, A.M. A. cadets will get their first holiday of the season. Thursday, to commemorate the landing of the Pilgrims and experiences that they went through to give us this land of plenty. After breakfast on November 28th until 11:00 that night the cadets will be allowed to go on permits to Staunton, Harrisonburg, Lexington, and other surrounding communities to celebrate

There are many things cadets can do on a day like this. Girls from Mary Baldwin College also have the

The next evening the Football Banquet will be held at which the letters and the Gold Football Award will be presented, and there will be food a plenty for all.

EDITORIAL

We feel that some definite steps should be taken to organize in the State of Virginia a Military Prep-School Athletic Organization. Under this combined relation among the Prep Schools of Virginia, some definite rule and regulations could be decided on to guarantee a real title for State Champions, instead of just a "Paper Championship."

We are asking our Athletic Advisor to continue leading the Prep Schools of the South by organizing just such an association. There should be definite qualifications to be able to enter the race for State Champion, such as the number of conference games that have been played, the standing of the school, and so forth.

The purpose of this organization would be to increase the interest and the justice in the athletic relationship between the Prep Schools of Virginia.

OFFICIAL CHRISTMAS CARDS

During the coming week orders will be taken for the official **Recall** and **Bayonet** Christmas Cards. This attractive card has an etching of the Main Barracks on the outside cover and on the inside appears the school seal with verses appropriate to the seasons greetings. Profits from the sale of these cards will go to enlarge and add to the **Bayonet** and to the furthering of the **Recall**. Your patronage is solicited.

we can give you a pretty good idea what your year book is going to look like. The cover this year will be thickly padded, and the entire book will contain over one hundred and thirty pages. The cover itself will be dark shade of red, with the inscription, "1947 Recall" across the bottom of the cover in raised letters. The pictures of the seniors will be distributed three to a page, with a short writeup concerning what they have done while at Augusta.

The sports section will be handled in a unique way this year, with two pages for every varsity sport. There will be a formal picture of the team as a group, and also individual pictures of the players in their normal positions while engaging in their various sports.

If any cadets can get any ads from home for our Recall, it would be greatly appreciated, and the more ads there are, the larger the undergraduates pictures get. So, if you can, write to your parents, and ask them if they would like to have an ad in the year book.

"J." BARRACKS COLUMN

Hallowe'en was observed very properly this year. We had a Goblin Treasure Hunt. At 8:30, the cadets dressed in play clothes and followed a trail. At one place, we sat on the hill and told stories. Cadet Klein is some story teller. Ask Oliver about the end of one story. The instructions for the treasure hunt were well hidden in front of the boiler room. Mrs. Davis knew what they were so we proceeded to the next place. The treasure was found in the seventh grade classroom.

Oh boy! there was some feed—even ice cream sandwiches.

The sixth grade boys who all live in J Barracks put on a play "The King's Toothache" in Y.M.C.A. Balbis was a real looking magician. Pullen, the king with the big toothache, Klein, the jester and Catalina, the worker. Mundin made a real dentist. Peralta was the purring cat. Tommy Hailey was the table-wiggler. We certainly were proud of them.

HEARD IN THE BARRACKS

Where's my overseas cap? It was on the table a minute ago.

Who borrowed my white gloves?

Fin out there, boy!

Walk up the steps!

Early in the morning—"Hit the sack, boys!"

Did you wash, clean your teeth, comb your hair?

Levy, take your hat and shirt off when you wash.

Try simonize with your shoe shine.

Do you know the pork and cheese (Portuguese) explorers?

Gee Mrs. Davis, Ace is white like you since he had a bath.

Lancaster—Who was in my chewing gum?

Collins—How did my comic book get there?

Robbins—Quiet please!

Apologize to Cadet Ferguson (Gaby). We had said he was the baby of J. Barracks but Tommy Haily is two months younger. Galvan is the smallest one and Crawford, the yelling-est. Beamer is the talkingest.

Apologize to Cadet Deal—We said

that Phil Luttrell was the quietest—Second stoop resents that.

Hodges and Day almost have a private room.

A TRIBUTE TO CAPT. J. P. MORRISSEY

(Editor's note—This article was due for publication in this issue and is even more appropriate in view of the illness of one of our respected and beloved faculty members).

Peter J. Morrissey, now Captain Peter J. Morrissey of the AMA faculty and Athletic Association, has had a brilliant career. Morrissey, retired from Lehigh University in Bethlehem, Pa., where he was head swimming coach, came here from Washington and Lee University in Lexington, Va., where he was coach of cross country and head trainer until the government took over the athletic program there.

One of the pioneers in Intercollegiate Swimming, Coach Morrissey known nationally as just plain "Pete", coached the Brown and White tankmen of Lexington from 1920 until his retirement. From 1917 until 1919 he was a member of the War and Navy Department on Training Camp Activities at Camp Crane, United States Ambulance Corps.

A member of the Eastern district Olympic swimming and wrestling committees in 1920, 1924 and 1928, he has developed 14 Eastern Intercollegiate Swimming Association champions. He was official for 24 years at the Penn. Relays, and a member of the Philadelphia Official Club.

Since 1927, he has served as executive secretary-treasurer of the Eastern Intercollegiate Swimming Champions. Thirteen years ago, he assisted in advocating a program for collegiate life-saving examinations which resulted in the organization of the National Collegiate Life-Saving Society.

In 1939 at Fort Lauderdale, Fla., he assisted in drawing up the Swimming Tests, recently inaugurated at A.M.A., which have been adopted by the Army and Navy after quite a discussion between the War and Navy Departments and Morrissey.

In 1934 Morrissey conducted the first intersectional swimming meet in the United States. This meet was held with the University of Miami, Florida, at Coral Gables. The same year Morrissey introduced Water Polo as an intercollegiate activity at Lehigh, and supervised the annual prep-swimming championship.

BAND PARADES IN STAUNTON

On Thursday evening, October 31, Hallowe'en night was celebrated in Staunton in a civic-wide get-together. Augusta's sixty piece band took a prominent part in the mammoth parade.

"AUGUSTA'S SUMMER DAYS"

By a slight investigation of barracks we find that in the time which elapsed from June 5th and September 20th, the corps of cadets of this institution did a little bit of everything. You name it and we have a cadet who did it. Let us look at a few of these. One of the most outstanding summer experiences was that of Cadet Mentzer. It seems he won a good bit of money for himself and the lucky owners of the horses he rode in various shows through Penn., N. J., and N. Y. We understand that his winnings totaled about \$5,000. Another one of our lovers of horseflesh, Levenson, worked in a (horse) stockyard. Then there are those who took to the air such as: Sykes; who went in for the makings of the craft and worked as an aircraft mechanic. Woodie did quite a bit of the actual flying. Bill also drove some of his father's busses (poor dad). Seibold went in for optical work and worked at Edmunds Optical Co. Triesler made them thar new fangled quick freeze cabinets. Quite a few worked in drugstores and restaurants, some of these were Fields, F. F., Jester Pappas, P., and Pappas, J. We can bet they ate well. Street had an interesting occupation and that was working as a telephone operator for the N. & W. R.R. We now have jobs from riding horses to working on R.R.'s. But let us not stop here for there are many more interesting things to come. Perhaps from this article you may find something that you would like to do next summer. Anyway here are a few more that we have compiled. Field, J., raced boats and worked in a gift shop. Now there is a range of jobs for you. From scooting across the water to running around counters. Let's look at our First Captain, Mike tells us that he showed off his manly chest to the girls and was a lifeguard. Big "Red" Harris played around in Galveston Bay and sought out those delicious little things we call shrimp. N. C. comes into the picture of Gregory who worked on prefabricated houses for Uncle Sam. Now there's something that ought to be fun as well as interesting. Jester seems to have that racing bug in him as well as Field, but he stayed on land and raced around in racing cars, although he wasn't in any actual races he did get a good bit of experience. Seigle worked in a chocolate factory. I wonder just how much of his product got past him. Bob Freshman was an auctioneer. Look out "C" Co., I wouldn't try to outtalk him. Chesson's position gives him the last position on our roundup as he was

working in a funeral home and believe me that's the end of everything.

ADVENTURES OF STUBBS PARKER

When we left "Stubbs" he was walking through the front arch after supper toward his abode in the fifth stoop tower. Was he disgusted with himself the school in general or was he going mad? What was the question that he had to answer soon or he would be going mad. When he reached his room he found several cadets, new and old, awaiting his return. As he entered the door all stood at attention. "Sit down fellows". All did as he requested. Then Stubbs started walking back and forth in the narrow confines of his room. (editor's note—go up to the fifth stoop tower someday with the corporal and see for yourself just how much room he had to walk back and forth in). He finally asked one of the cadets to stand up while he sat down. "Fellows, I have a problem on my mind and I would like some real sincere help in getting it solved". "We would all like to help you". "Thanks a lot fellows". Stubbs started to utter "My father is not making what he used to when the war was on and he". Carter Woods spoke up: "Well, we can think up some way to help make ends meet. I believe that". Just then Harrel spoke up "I have it. Let's start an insurance company and issue policies and we will make you president." "What do you mean—insurance policies?" Sputtered Sollod. Then Harrel broke in with the explanation and all agreed upon it. To help improve conditions in the Mess Hall, it was decided to get the cadets to pay ten cents a week for an insurance policy which would guarantee that no soup or what-not would be spilled on you during any meal and if such an accident did happen the "company" would pay Shipp-lett's for cleaning same. Well the idea spread like wildfire all over the barracks (not this easy to sell Bayonet subscriptions or collect for a dance or the Y.M.C.A.) Monday Rifle came around last week and everybody saw the results of the newly organized protection company. The percentages of MMI rose to ponderous heights. The officers, Stubbs Parker, Wilson Harrel and Carter Woods met to talk over the situation. "Fellows, we must do something for the CW's for they are cooperating with our enterprise." said Carter Woods who appeared to be taking over the presidency. "Fine" re-

plied Harrel. Then Stubbs stammered with a "let's award prizes every week to the CW table that has the nicest service. "Fine" all joined in unison. Then they started to talk over the finances and found that 480 of the cadets had subscribed to this service. That meant that they had taken in over forty dollars. This after deducting ten dollars for paying the cleaning bill left more than thirty dollars. It was agreed that this would help pay Stubbs' monthly accessory bill for this and that. At this point Stubbs started again with "Fellows. I want you to know how much I appreciate this kindness on your part but". This was all he could get out when there came a knock on the door and in walked Colonel Roller. He saw the money lying on the table and immediately started to reprimand the cadets and particularly Stubbs who attempted to explain to Major what they were doing when Carter Woods spoke up with "But Major". "Don't speak until I tell you to" Major replied. This "but Major" continued until Major finally said, "Woods, just what are you trying to tell me?" "Sir, we want you to know that we were just trying to help Stubbs Parker so that his father could keep him in school." "Mighty fine son, mighty fine, son. That is one of the finest things I have ever heard of in my fifty years as teacher in this school. But you are making one mistake, my boy. Stubbs Parker is the son of one of my best friends and he is the president of the bank of the city of Roaring Creek Gap in West Virginia in the heart of the coal and oil regions of that wealthy state. Why his father could buy out the Chase National Bank in New York City. However if he is a bit hard up I shall appoint Stubbs as a work boy in order to help his father make ends meet." Just then Stubbs who could not hold his tongue any longer spoke up with, "Major, I have something to confess to you. I am not what you think I am".

What did Stubbs Parker mean by this? Read the next issue and find out.

SPORTS

GREENBRIER TOO STRONG FOR FIGHTING BLUE AND WHITE ELEVEN

A.M.A. Holds Mountaineers For First Half

Lewisburg, W. Va., November 2.—Greenbrier Military School flashed too much deception on land and in the air today and defeated a hard fighting Augusta Military Academy Team 46-0. Coaches Turley and Hunt used every man on the squad.

Greenbrier received the kick-off. Morton picked up eighteen, Mott made a one handed catch of a forward on the 12, Dick Morton took a lateral to the 8, and after a 15 yard penalty set back, Vollmer passed to Mott for the first touchdown, Morton kicking the point.

Moore's fine kicking helped Augusta stave off the next Greenbrier threat, but midway in the second quarter Ammar made a beautiful fake into the line and Dick Morton was loosed around end for a 57 yard touchdown run. Ammar kicked the point. Greenbrier added a third touchdown before the half on Piercy's 24 yard aerial to Ammar.

In the third quarter, Teke Shaffer intercepted a pass on Augusta's 28 and Taylor went all the way on a reverse for the fourth touchdown. Augusta's Litchfield ran 38 yards and McCall saved a touchdown with a nice tackle on Greenbrier's 42. Campbell ended the threat with a pass interception on the 29.

In the fourth quarter, Greenbrier's reserves ran wild. Rex Chafin blocked a punt and Clarke Hall fell on the ball for another touchdown, Ammar kicking the point. After Houston Moore intercepted a pass and ran ten yards to Augusta's 33, Ralph Miller dashed off tackle to score.

Tommy McClung intercepted another pass and raced to the 20. Jim Graham scored around end and Clarke Morton kicked the point to run the score to 46-0. First downs favored Greenbrier 13 to 8. The locals drew 95 yards in penalties, mostly for off side, against 20 for the losers.

HARGRAVE SWAMPED BY AUGUSTA 44 - 0

"Blue and White" Score In Every Quarter Against Worthy Opponents

Scoring in every quarter, the Augusta eleven romped to a 44-0 triumph over Hargrave Military Academy at Hargrave on October 19.

Capt. Bowie of A.M.A. tallied first

with a touchdown early in the first quarter, adding another in the second. Harbison scored twice in the first half and Messick twice in the second half. D. Litchfield rang up a tally in the final quarter.

The outstanding play of the contest was a 75 yard punt return by Heppner in the third quarter. Albrite added the extra points by running.

Outstanding backs for the winners were Bowie, Heppner, Albrite, and Litchfield, while all linemen played excellently, the captain reported.

Lineup for A.M.A. L.E.—Eddy; L. T. — Harris; L.G. — Hitchens; C. — Rhodes; R.G.—Moon; R.T.—Jordan; R.E.—Inskeep; Q.B.—Heppner; L.H.—Ducey; R.H.—Bowie; F.B.—Harbison.

FORK UNION DEFEATS A.M.A. 34-0

Heavy Fork Union Team Too Much For Augusta Gridders

Fork Union scored on a sustained drive the first time they came into possession of the ball. Morgan took Moore's punt on his own 45 yard line and raced back 28 before he was knocked out of bounds. Three attempts by Sicilliano placed the ball on the 14, and from there Morgan rounded right end for the score. The placement was good. Fork Union scored again before the end of the first period on an intercepted pass. Ginther's kick was again good. Early in the second period Augusta averted another possible score by rising up and halting a Fork Union drive on our own three but immediately afterwards they intercepted another August pass and raced all the way for the tally. Again their conversion was good, and A. M. A. trailed 21-0 at the half.

Augusta started off the second half by punching out three first downs to the Fork Union 49, but stalled when Harbison's fumble was recovered by Dickinson of F.U.M.A. Fork Union then proceeded to score again on a long drive. Once again the accurate toe of Ginther split the uprights. Fork Union scored once again late in the final period.

In spite of the one sided score, the entire A.M.A. team played headsup ball.

Lineup for A.M.A. L.E.—Eddy; L. T. — Harris; L.G.—Hitchens; C.—Rhodes; R.G.—Moon; R.T.—Jordan; R.E.—Grove; Q.B.—Heppner; H.B.—Ducey; H.B.—Bowie; F.B.—Harbison.

A.M.A. JAYVCES SWAMY M.M.A. 25-14

A.M.A. received and advanced the ball to midfield, where they lost the ball on downs. Massanutten broke loose on a wide end to score. The kick was good, and M.M.A. went out in front 7-0. A.M.A. received and marched the length of the field for their first score. The try for conversion failed. The remainder of the first half was played in mid field, until the last minute when a Macheras to Dull pass clicked for A.M.A.'s second tally. The half ended with A.M.A. leading 12-7.

The second half was played entirely in Massanutten territory with A.M.A. scoring twice to M.M.A. scoring once. The game ended with the score 25-14 in favor of A.M.A. Much credit is due to the entire A.M.A. team.

Line Up: F.B.—Macheras; L.H.—Winecoff; R.H.—Dull; Q.B.—Freshman; L.E.—Englehart; L.T.—Blair; L. G.—Childs; C.—Turner; R.G.—Gregory; R.T.—Quattrone; R.E.—Diamondstein;

Subs — Crowgey, Lefkowitz, Ellis, Farley and Cohen.

BUENA VISTA SWAMPS KOOGLERMEN 33-14

The game got under way with A.M. A. kicking. Buena Vista fumbled on the run back, and A.M.A. recovered. Daniels ran 35 yards to score for an A.M.A. score on the first play. Freshman converted on a quarter back sneak. Augusta kicked and the game see-sawed back and forth until the last minute of the first period when Buena Vista scored on a wide end run. The kick for the extra point was good. Buena Vista kicked, and Freshman ran the ball back to the 35, where A.M.A. started to drive, spearheaded by Macheras, down to Buena Vista's 40, but ultimately lost the ball. B. V. then started a march down the field which resulted in their score tally. A.M.A. received, and being unable to gain a first down, was forced to kick. However, the kick was blocked, and Buena Vista recovered it behind out goal for their third score. The half ended with A.M.A. deep in Buena Vista territory.

A.M.A. got off to a slow start in the second half, and was forced to punt. Buena Vista then started in a drive which netted them a touch down. A. M.A. received, and started playing heads up ball. With a series of power rushes, A.M.A. drove down to B.V.'s

5, where Macheras plunged over for the score. Winecof converted on an end run. From then on, both teams played even ball with A.M.A. having the slight edge. In the last few minutes Buena Vista broke loose to score again. The final score was B.V. 33—A.M.A. 14.

Line up for A.M.A.:

L.E.—Englehart; L.T.—Blair; L.C.—Childs; C.—Turner; R.G.—Gregory; R.T.—Quattrone; R.E.—Diamondstein; Q.B.—Freshman; L.H.—Daniels; R.H.—Farley, Macheras.

Subs: Lefkowitz, Winn, Cohen, Crowgey, Dull, Winecof, Deane and Ellis.

130 POUNDERS DEFEAT WAYNESBORO 12-7

The Augusta Wildcats overwhelmed the Waynesboro Juniors 12 to 6 Thursday on the Augusta field.

Barnes of Augusta kicked off to Waynesboro where they received the pig skin on the 10 yard line. He was hit on the 25 by Triesler. After two successful plays with Warne calling signals, which brought them to their 40 yard line, they fumbled where Rudolph of Augusta recovered. The Wildcats, after various successful end runs and line plunges, were able to fight their way to the 10 yard line whereas Neff made a spectacular end run which brought the first tally for Augusta, but failed to convert.

Waynesboro received the ball and was tackled on their 30 yard line. They were unable to score in the first half.

At the second half, Warne of Augusta received the kickoff on the 15 yard line where he was tackled on the 30 yard line. After many plays, Augusta fought their way to Waynesboro's 15 yard line where Marks ran over the goal line for Augusta's second tally.

During the last quarter, Waynesboro was able to score and the game ended as Augusta 12; Waynesboro 6.

TIGERS TIED BY WAYNESBORO 7-7

A.M.A. eleven kicked off to Waynesboro. The Waynesboro eleven fumbled. Everybody thought that the A.M.A. team recovered, but by the decision of the referees the ball went to Waynesboro. They started out for pay

dirt, but they just weren't clicking well enough to get by the A.M.A. Tigers.

The battle went on and A.M.A. scored on the Waynesboro team and tallied a seven to nothing lead on them. And to the surprise of the A.M.A. team the Waynesboro team went over for a score and tied things up. The time ran out and it was the half.

The A.M.A. team outplayed the Waynesboro team in all ways during the second half.

The A.M.A. line up is as follows:

"TIP EDDY"

John "Tip" Eddy came here from Culpeper, Virginia four years ago. His first year he started off his athletic career by playing Varsity football and baseball.

His second year he returned as a Cpl. in Headquarters Company where he again played Varsity football and baseball.

His next year he was a second lieutenant and captain of the football team. This year he made all-state end. To top this he was co-captain of the baseball team which tied for first place.

This, his fourth and last year he has risen to the rank of first lieutenant in D Company. He is playing varsity football and doing a nice job. We are sure that he will continue to do the same wonderful work that he is noted for.

150 POUNDERS TIED BY LEE HIGH

A.M.A. opened the game by kicking off to Lee High. After a short run back, two A.M.A. tacklers hit the Lee High back hard and he fumbled the ball. It was recovered by Rudolph of A.M.A.

Augusta took the ball down to the one yard line and lost the ball on downs.

In the second half, Augusta had two more very good chances to score, but could not get through Lee High's line into pay dirt.

Lee High also got their chance in the second half but did not get past the twenty yard line, due to Augusta's excellent defensive work.

The final score was Augusta 0, Lee

High 0, in a very tight game.

Neff and Adelberg both played an outstanding game for Augusta in the backfield, with Neff sweeping the ends and Adelberg going through the line. Bradford, Young, and Lacy played stellar ball in the line.

Both teams played a very hard and clean game.

TIGERS DEFEAT CULPEPER 14-0

The Culpeper Jayvees met the Augusta Tigers in the Clay Bowl Saturday afternoon in their annual meeting and met defeat to the tune of 14-0.

Augusta kicked off to Culpeper and on several line plays, made a first down on the 25 yard line. Punting, the ball was received by Singers who returned it to the 50 yard marker. Augusta made three first downs on end sweeps only to lose the ball 12 yards from the goal. Culpeper made but one entry into Augusta's territory in the first half.

In the second half, Augusta's offense began to click and they scored first down after first down. At the last of the third quarter, Singers ran back a Culpeper punt to the one yard line where a line buck by Adelberg scored the first tally. A pass from Singers to Young made the extra point.

Augusta kicked off to Culpeper, Culpeper tried a pass which Augusta's Fouracre intercepted and ran back thirty yards for a touchdown. Adelburg ran around end for the extra point.

A.M.A.'s ends, Young and Bradford played brilliantly and A.M.A.'s entire backfield earned the credit due them.

Lineups: Augusta — Young and Bradford (ends); Lacy and Salzman (tackles); Humphries, J. and Bazemore (guards); Lowe (center); Singers (quarterback); Fouracre and Rhea (halfbacks); Adelburg (fullback).

Substitutions — Whittington, Farley, Marozza, Martin, Vail, Ragsdale, Mentzer, Steele, Neff, Burton, Dutton.

QUADRANGLE QUIRPS

(Continued from Page 4)

Who is the Charles Atlas in barracks now?

What happens in club 340 every afternoon?

I'm not playing tennis until Spring because I just want to give the other Cadets a chance. How about it Gill?

Who's bed falls down every night, ask Steele R.

We hear Sellers is sleeping on the mattress without any sheets. How about it Wellyn?

Presenting . . .**LEWIS "LEW" LEPPER**

Lew came to Augusta four years ago. He hails from Berkely, California. Lew's first year at Augusta was spent as a private assigned to "E" company. As a result of his excellent conduct and neat appearance he was named as the best new cadet of his company. His other honors consisted of a white page and the honor roll. During his second year he boxed and again was on the honor roll. His third year was spent as a sergeant of company "D." He so distinguished himself there that he was awarded the title of best non-commissioned officer. He also distinguished himself as one of the best fencers Augusta has ever had. This is now "Lew's" fourth and last year. Assigned to "E" company as a first lieutenant, he is busily preparing himself for the "Point." The entire corps wishes him the best of everything in anything he may choose to do.

BOBBY WEBB BOWIE

Three years ago Bobby entered A.M. A. and as he was just another new cadet, he started out as a private in the ranks of B company. This year he played J.V. football and fenced. His second year he proved to be one of A.M.A.'s most valuable cadets. He made all state tackle on the football team and got Colonel's silver football for being the most valuable player in the line, one of the most treasured honors of any football player at A.M. A. He was outstanding also in fencing and baseball. This year he was a platoon sgt. in "A" company.

This is his third and last year, and as in everything else, he reached the top by holding the rank of Captain of D company. Also this cadet from Galax holds another high honor by being elected Secretary of the Student Body. When Bobby leaves us this year, he will get another honor—an appointment to West Point. We will all miss Bobby, the most outstanding cadet that came to A.M.A.

SAM GLENN CONLEY

Well we all know Sam this year as the Captain of E company. He hails from Washington D. C. He came to Augusta four years ago to start a very successful life. Sam's first year, he was a private in E. Co. His second year he became a corporal in good old E Company. From E. company he advanced to the rank of platoon sgt. in C. co. Aside from just being in C company, C company ran away with

all the honors last year. This is his fourth and last at Augusta, and now as we all know, he took the high jump from platoon sgt. to Captain of E. company.

When Sam graduates he is going to West Point to follow in his father's footsteps. We all wish him the best of luck in his future military life at West Point. Good luck Sam!

FENCING SQUAD LOOKS TOWARD FUTURE

All the while other fall sports have been going on quietly and unnoticed a group of very interested cadets have been diligently working towards a greater fencing team for 1946-1947. Every afternoon you always see four or five and many times as many as fifteen cadets working out in the art of fencing. Three weapons are being worked upon. Among those out for this famous sport are Jackie Field, Bill Aldrich, Yankee Wagner, Al Tomlin, Al Lepper, Lloyd Henry, Sam Conley, Guerreri, Annette, Al. Gonzales and others. With this pre-season practice the regular team will be well founded for a most successful season.

After his graduation he remained as line coach at Georgia from 1942-43 until he entered the service in the Tank Destroyer Battalion. He was sent to Camp Atterbury where he was assigned to coaching different athletic teams all of which made very high records. While at Georgia he met and married his charming wife who hails from Hopkinsville, Kentucky. We just know that Augusta will have a wonderful sport record in whatever sport he is engaged.

A VIRGINIA GENTLEMAN

As I was walking along one day
Past the barracks which was near my way,
A hardened old soldier I chanced to pass,
Not knowing it then, but I just met Brass.
I was new at Augusta that day in the fall,
And I failed to salute, and soon he did call:
"Oh son, son, come here to my side,
And my own life story in you I'll confide.

I was born in a cabin in the hills far away
On a bright Sabbath morning, a beautiful day.
But then came the war and my young heart grew bolder,
And I went overseas with leaves on my shoulder.
Now Son, you remember, while all this I say,

My heart still belongs to A.M.A.
So back I did come across the deep blue sea,
To help my Dad's boys and commandant be.

I'm twice ten times sixty plus seventy too,
But my heart is still the same as the day it was new.
I'm a teacher of Science, and I've seen physics through,
Inventor of reapers and boxing champ, too.

Staying awake with permits at night,
Still always rising with dawn's early light,

I'm finding it easy to keep growing old,
Since my boys are anything but the same as pure gold.

I dish out the tours along with the coal,
And everyone's seen it, the corps as a whole,
My midnight inspections the boys it does please,
And they are under arrest with the greatest of ease.
Now son, you recall what I've said on this day,
And the next time you see me, now don't turn away,
For remember this always till school this year ends,
I'm your father, your commandant, adviser and friend.
